Foreword

We, the seniors of 1957, have many memories, the good times and the hard, the many events we have shared together and the pleasures which come from tasks accomplished. We have tried to put in this book the memories of our four years in Jonesville High School that will always be dear to our hearts.

Dedication

We, the class of '57, proudly dedicate this, the seventh edition of the Jonesville Blue Jay, to Mrs. Jane Holcomb. Whether "parlez-vous le francais" or performing an experiment with SO_2 , she is always willing to lend a helping hand.

MR. and MRS. JOHN WESLEY MATHIS

Faculty and Administration

Our Principal, MR. GUY T. SWAIN, is filling his position efficiently. Whether in the office or classroom he is willing to help.

MR. FRED C. HOBSON
*Superintendent of
Yadkin County School*

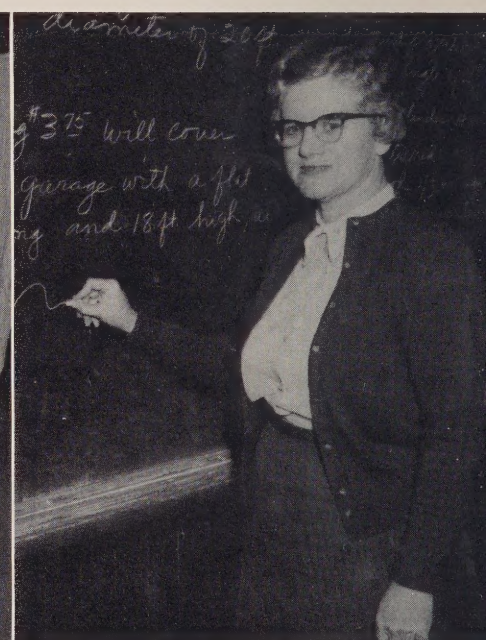

Our local school board, MR. BOB SNOW, MR. MARSHALL ADAMS, and MR. ROY BOLES, are ardent supporters of the school.

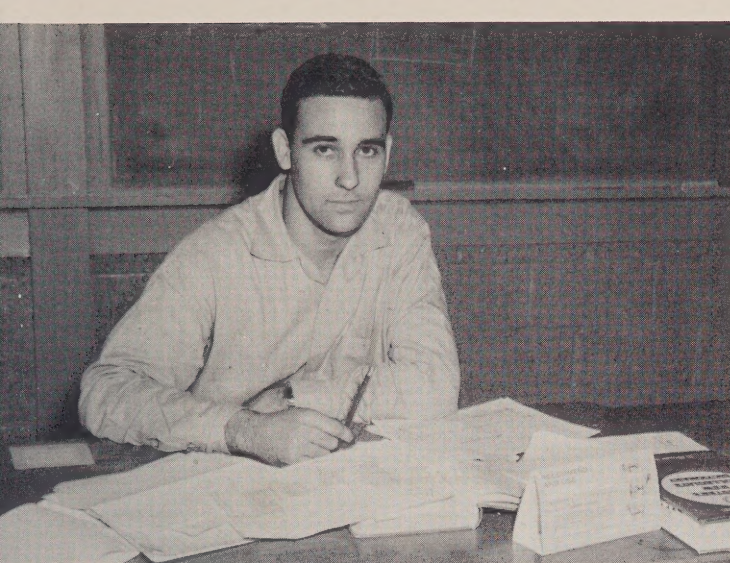

Coaching basketball and teaching History is the job of MR. JOHN W. MATHIS. Although he never has a spare moment, he seems to enjoy it.

MRS. OLA HENDREN and her Home Ec. classes are responsible for the delightful aroma which fills the down stairs hall.

Teaching Mathematics and being advisor for the Blue Jay keeps MISS MARY SPEER "busy as a bee."

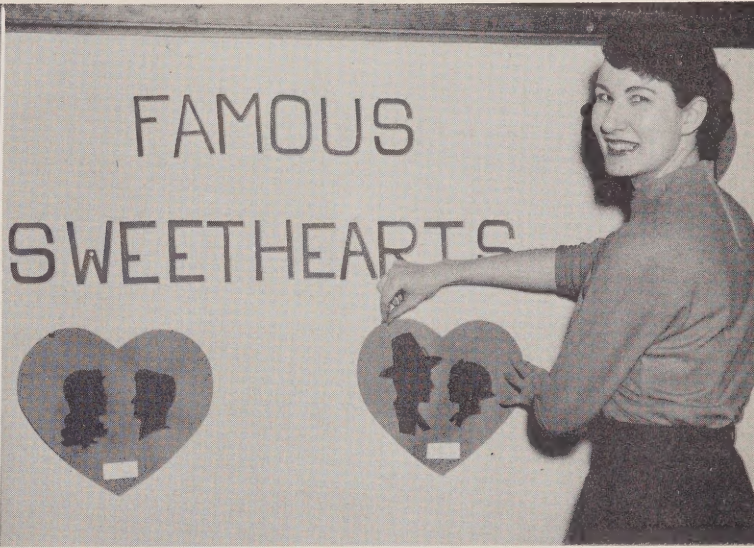

Well qualified for teaching Agriculture and sponsoring the F.F.A. Club is MR. GERALD BOLES.

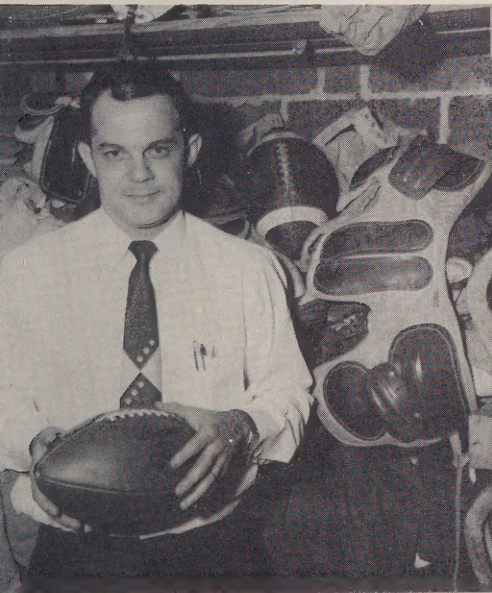

Usually Commercial teachers aren't as attractive as our MRS. FAYE BOLES.

MISS BETTY TYSINGER is kept busy teaching English as well as being sponsor of the Beta Club.

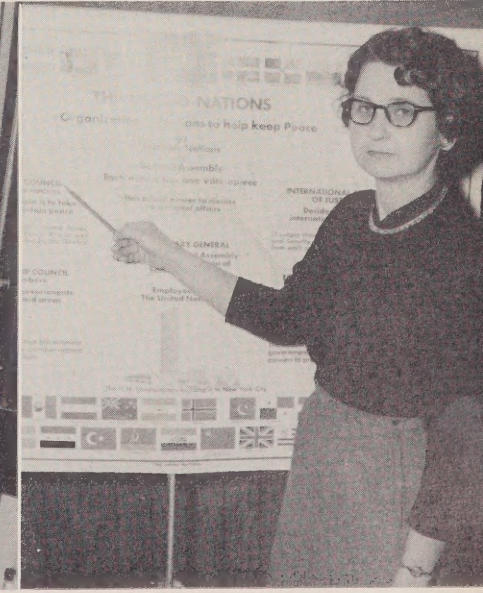

Both keeping the library and teaching English are difficult tasks but MISS LINDA McNETT handles them with ease.

Coaching Football, Basketball and teaching Social Studies keeps MR. JOHN CHARLES busy.

Never a dull moment in MRS. JANE HOLCOMB'S French and Chemistry classes.

A teacher who is well qualified for her job is MRS. LOUISE RANDLEMAN, who teaches Science.

With 109 first graders, MRS. RUBY CANIPE, MRS. KATE KEY and MRS. RUTH WHITE, are kept busy handling the energetic youngsters.

MRS. IRIS CANIPE, MRS. ANNE MADISON and MRS. HAZEL NOLEN keep busy training the second graders.

With the help of their teachers, MRS. MARY HOLCOMB, MRS. CATHERINE WILKINS, and MRS. NORMA JOHNSON, the third graders are running a close attendance race with the first grade.

Helping the fourth graders with their many studies are MRS. PATSY HARMON, MRS. EDITH BRAY and MRS. BLANCHE RASH.

Under the supervision of their teachers, MRS. MARY HARRIS, MRS. GRETA PRICE and MRS. JEAN MATHIS, the fifth graders are doing a fine job.

Helping to develop the minds of the sixth graders are MR. CY RASH, MRS. LOIS PARKS and MR. HARVEY MADISON.

The seventh graders are put to a hard test by their teachers, MRS. MARY KELLY and MR. EDWARD WEST. MRS. HELEN DUDLEY take care of the public school music for all grades.

MR. CLYDE PHILLIPS, MRS. EDNA REECE and MR. JOE STROUD are preparing the eighth graders for high school.

Class History

If I were to write a book about the days we spent in Jonesville High School, a summary of the book would read something like this:

CHAPTER ONE—FRESHMEN

The eighth grade graduation and a summer of fun behind us, we made our debut as freshmen in September of 1952.

The Class of '54 showed us where Freshmen really belonged when they initiated us a Comic Strip Characters. The Senior-Freshman party that night made up for any indignity we might have suffered.

Tragedy struck that year and we lost our beloved principal, George Z. Ingle. His loss was felt deeply by the Class of '57, as well as by all who knew him.

Victorious over final exams, we gladly left school behind for three months of fun.

CHAPTER TWO—SOPHOMORES

We began our Sophomore year with an air of anticipation, as we greeted our new principal, W. B. Thomas. Soon we settled down to the normal routine of school, but there were parties, sports, and lots of fun, for excitement.

The Sophomore class sponsored Twirp Week, where the gals could openly chase the guys. Isn't that the way it usually is anyway? We climaxed Twirp Week with a very successful Sock Hop.

Final exam over, once again vacation lay ahead. It is ironic that only a few days after vacation began we lost a very dear friend and classmate, Danny Newman.

CHAPTER THREE—JUNIORS

At last we could claim the title of Upperclassmen. Our Junior year was full of exciting events. The football team, with 6 members of our class, reached the semi-finals in the State Class A tournament. The basketball team, with 4 members of the class, were runners-up in the State Class A tournament.

We gave our class the unofficial title of Hard-Luck Class when we found that we weren't going to get our class rings nor give the Junior play.

No Junior-Senior Prom was ever given more enthusiastically. Our was one lovely "Evening In Paris." A little French Cafe, the Eiffel Tower, and the little garden set the scene for a heavenly evening of dancing.

Final exams came and went and another three months of freedom were in store.

CHAPTER FOUR—SENIORS

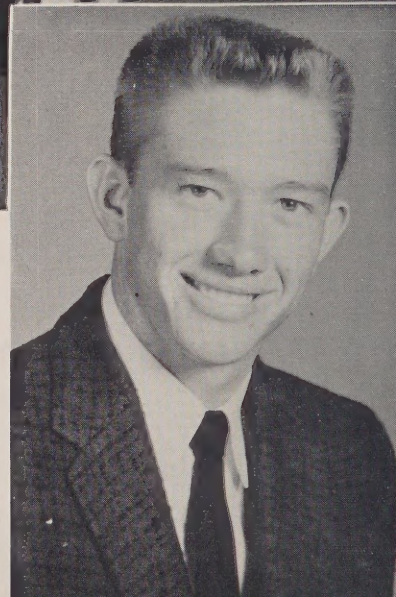

Seniors at last! The Class of '57 had reached her peak. To their dismay, Freshmen became characters of the Mother Goose Rhymes for the initiation. For their good sportsmanship we treated them to a dance.

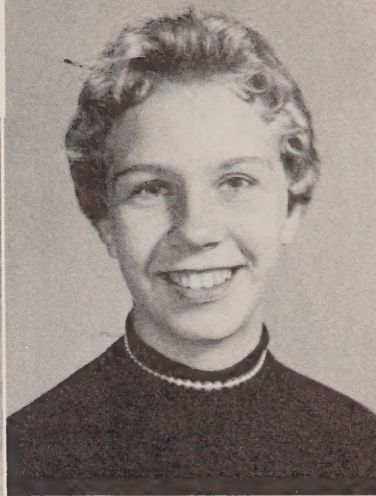

No class was ever more thrilled when, in December, we finally received our class rings. Mid-term exams over and the last half our Senior year to live. A week in Washington, D. C., the Jr.-Sr. Prom, our Senior class play still await us.

Far more important is the night only a few months away when we'll hear the word, "I pronounce you, the Class of 1957 graduated of Jonesville High School." As we walk away that night into the life that lies ahead, we have these moments to remember.

Reminders of your younger years.

Busy, Busy, Busy.

The Social Eating Hour.

This looks like fun.

What "Crazy" looking animals.

Decorating is such fun.

Boys ARE quiet, sometimes.

These early morning ar-rivers are sure cheerful.

These are the boys who are keeping us safe.

Whee! Let's Slide.

The purpose of the Beta Club is to promote ideas of honesty, service and leadership among high school students.

For our projects we promoted a campaign to beautify our campus and participated in carrying out this operation. We painted waste baskets throughout elementary school, high school, and grounds. We also collected old books and received money for the school by sending them to a collector.

As members of the Jonesville F.T.A., the John Dewey club, we wish to cultivate in ourselves the qualities of personality, leadership and character which are necessary to be a good teacher. The club has experience in teaching because when an elementary teacher has important business to attend, many of our members are called upon to substitute teaching. Also each year we have at least one radio program and one chapel program.

The Unusual at J. H. S.

This is a principal with strong support.

Editor of the '52 Blue Jay, now a teacher.

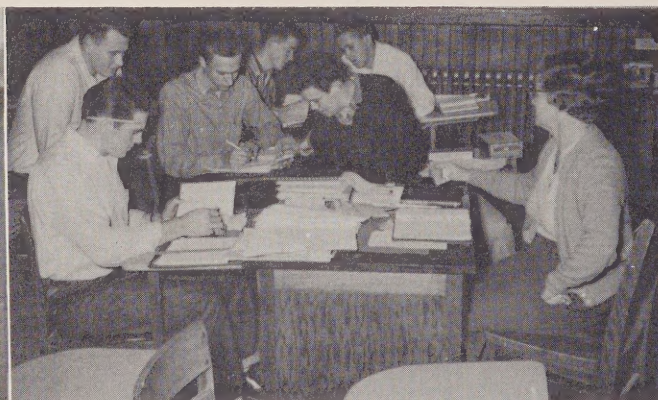

84 points in one game. What scoring!

Never before have we had a beauty queen for a teacher at J.H.S.

The long and short of Geometry.

They boast the smallest class in school, "Brains."

No argument with this teacher
